

Although general knowledge of the experienced jail officer and familiarity with current practices are what is required to pass the certification examination, the following list of resources might be of some assistance in preparing for the examination.

It is recommended that candidates review the *Content of Examination & Content Outline* listed in the ***Handbook for Candidates***. If there are areas where you wish to increase your knowledge, the following list of resources may be helpful. It should be noted that the list of resources is neither all-inclusive nor exhaustive.
