

Bag Handouts

Price \$500

Description:

Send give-away marketing items to include in the Conference Bags that are given to all attendees at registration. Sure, you could send a flyer, or how about a more memorable small item. GET CREATIVE AND GET NOTICED. These attendees work hard, surprise them with a little gift they will appreciate and remember. Sorry, no perishable food.

Plan on sending 1,000 items. Once purchased, we will send you the shipping address. We will need to know what type of handout you will be sending 2 months prior to the show to approve it and make sure it is included when we pack the bags. *Sponsored water bottles, tumblers, and notebooks with a pen are also placed in the Conference Bags.
