Option 1: Professional Points Accumulation

- Mark the appropriate box at the top of the *CJM Recertification Application Form*.
- **PLEASE NOTE:** Only **350** accumulated professional points are required between your initial examination (or recertification) date and the date you apply for recertification. Of the 350 points, under the Leadership activities (Section 3) of the application, **20 points** must have occurred within the last FOUR years to be eligible for recertification.
- Mail your completed CJM Recertification Application to AJA at least six (6) weeks **BEFORE** your certification anniversary date expires. If your application is postmarked after six (6) weeks, a \$75 late fee will be assessed. Fees are subject to change.

RECERTIFICATION ELIGIBILITY REQUIREMENTS

To be eligible for recertification:

1. The CJM must be employed full-time as a paid jail manager until the expiration date of his/her current certification,

or, if at the time of application for recertification, the CJM is not currently working in the field, he/she must have no more than a two-year lapse of employment as a paid jail manager (counting back from the certification expiration date). If the CJM is not currently employed as a jail manager or will be leaving the field of jail management prior to his/her certification expiration date, a statement of intention to reenter the field of jail management (within the two-year time frame allotted) must accompany the application for recertification. The CJM must then notify AJA when employment as a paid jail manager commences.

or, if at the time of application for recertification, the CJM no longer meets the definition of a jail manager, the designation may be maintained if the CJM has recertified at least once prior to the current application. The CJM must also maintain activity in the field of corrections as evidenced by completion of the recertification application requirements.

2. It is the responsibility of the candidate to obtain the latest and most current copy of the Recertification Application.
3. The CJM must agree to adhere to the AJA Code of Ethics.

LOSS OF CERTIFICATION WHEN RECERTIFICATION REQUIREMENTS ARE NOT MET

CJMs who do not apply for recertification or who fail to meet the criteria required for recertification by their certification date (**four** years from previous certification date) will be suspended and lose the right to use the CJM designation and will no longer be listed as a CJM by the JMCC or in any AJA publication.

If certification is suspended, and at some point in the future the former CJM decides to become certified again, he/she will be required to go through the entire certification process again, including taking the examination.

REVOCAION OF CERTIFICATION

Certification may be revoked or denied for any of the following reasons:

1. Falsification of an application and/or EBF,
2. Misrepresentation of certification,
3. Breach of existing ethical standards of professional practice.

An appeals mechanism for challenging revocation or denial of certification is available.

AMERICAN JAIL ASSOCIATION

CODE OF ETHICS FOR JAIL OFFICERS

As an officer employed in a detention/correctional capacity, I swear (or affirm) to be a good citizen and a credit to my community, state, and nation at all times. I will abstain from questionable behavior which might bring disrepute to the agency for which I work, my family, my community, and my associates. My lifestyle will be above and beyond reproach and I will constantly strive to set an example of a professional who performs his/her duties according to the laws of our country, state, and community and the policies, procedures, written and verbal orders, and regulations of the agency for which I work.

On the job I promise to:

- | | |
|--------------------|---|
| KEEP | The institution secure so as to safeguard my community and the lives of the staff, inmates, and visitors on the premises. |
| WORK | With each individual firmly and fairly without regard to rank, status, or condition. |
| MAINTAIN | A positive demeanor when confronted with stressful situations of scorn, ridicule, danger, and/or chaos. |
| REPORT | Either in writing or by word of mouth to the proper authorities those things which should be reported, and keep silent about matters which are to remain confidential according to the laws and rules of the agency and government. |
| MANAGE | And supervise the inmates in an evenhanded and courteous manner. |
| REFRAIN | At all times from becoming personally involved in the lives of the inmates and their families. |
| TREAT | All visitors to the jail with politeness and respect and do my utmost to ensure that they observe the jail regulations. |
| TAKE | Advantage of all education and training opportunities designed to assist me to become a more competent officer. |
| COMMUNICATE | With people in or outside of the jail, whether by phone, written word, or word of mouth, in such a way so as not to reflect in a negative manner upon my agency. |
| CONTRIBUTE | To a jail environment which will keep the inmate involved in activities designed to improve his/her attitude and character. |
| SUPPORT | All activities of a professional nature through membership and participation that will continue to elevate the status of those who operate our nation's jails. Do my best through word and deed to present an image to the public at large of a jail professional, committed to progress for an improved and enlightened criminal justice system. |
