Core Competency 1:

Anticipate, analyze and resolve organizational challenges and conflicts

Description:

Use critical thinking skills, evidence-based practices, and information analysis to inform decision-making and address organizational problems; proactively identify pending crises or opportunities.

Rationale:

Jail leaders must be able to not only chart their organization's future course, but also to navigate the present. Dealing with current organizational challenges must be predicated on a sound knowledge of the past and a clear vision of the future, including strategies for preventing organizational conflicts.

Requires knowledge of:	Requires skills in:	Requires ability to:
Organizational mission,	Developing and maintaining	Think critically
