

# AJA Professional Membership Application

The American Jail Association is a national, non-profit organization dedicated to serving those who work in and operate our Nation's jails. We accomplish this by providing training and professional development, educational resources, personal certification, publications, networking opportunities, and advocacy at State and national levels—all designed to increase professionalism in the field and to help jails and detention facilities be safer for both staff and inmates. Once the application is processed and payment is received, you will receive your New Member packet. \*Memberships are nontransferable and nonrefundable.
