*Instructor(s): Tom Dart, Sheriff, Cook County, Illinois  
Jane B. Gubser PSY.D., Executive Direct of  
DOC Programs, Cook County, Illinois*

The Cook County Jail in Illinois is one of the largest jails in the country. Join us as Sheriff Tom Dart shares the jail's multi-layered approach to fighting the coronavirus that resulted in a staggering drop of cases among detainees, from 623 in early April to less than 20 through the end of August. Some best practices were established in the playbook that can be used on their own or in combination with other practices in jails across the country. There is no "one size fits all" plan to contain or control a global pandemic.
