

Resolutions Committee

Chair - Marsha Travis, CJM, CCM
Staff Liaison - Chris Daniels, MPA, CAE

AJA's resolutions state the position of the American Jail Association on issues relevant to our Nation's jails. We must ensure that our resolutions are current and that the Association's position on significant jail issues is clearly stated.

- Conduct a review of the Association's current resolutions, advise the board if there are any that are outdated, and need to be removed.
- Consider and recommend any updates required to ensure our resolutions reflect our current position.
- Work with the Strategic Planning Committee and Legislative Affairs Committee to determine whether there are emerging issues that should be covered by formal resolution.
- Provide all new resolutions and a report to the Board of Directors at the fall Board of Directors meeting.
- In conjunction with the Diversity, Equity, and Inclusion Committee, review all existing resolutions to ensure issues related to gender equity and gender responsiveness are addressed.
- Meet as needed virtually with the committee members and other committee chairs.
