Strategic Planning Committee

Chair - Danielle Frane, MS, CJM, CCE, CCHP
Staff Liaison - Chris Daniels

The Strategic Planning Committee's purpose is to identify the desired future state of the American Jail Association in developing goals, objectives, and an action plan that will aid the Association in fulfilling that vision.

- Work with the Executive Director to publish the Strategic Plan for members.
- Identify other private, non-profit and government partners that may support the strategic plan.
- Meet at the fall Board of Directors meeting with the Executive Committee and other identified committee members for the purpose of revising and updating the strategic plan including goals and objectives.
- Monitor the timelines for implementation of goals.
- Work with the standing and ad hoc committees to identify specific actionable items that should be implemented through the strategic plan.
- Meet as needed virtually with the committee members and other committee chairs.
